## **BESØK FRA WORLD MARITIME UNIVERSITY, MALMØ.**

Den 14. august 1987 hadde Skuld besøk av en gruppe fra the World Maritime University i Malmø, Sverige. Gruppen ble ledet av Dr. A.A. Monsef, professor i sjøtransport ved universitetet, som hadde med seg 18 studenter, de fleste advokater, fra 13 forskjellige land.

Skuld sammen med den norske kasko-foreningen UNITAS hadde et intensiv-seminar fra kl. 9 om morgenen og frem til lunch. Det ble gitt en innføring i P&I forsikring inkludert begrepet gjensidighet, dekningsomfanget, reassuransekontrakter samt rettsvernforsikring.

Vise-adm. direktør Erling Huus-Hansen fra UNITAS ga en innføring i norske kaskovilkår og forklarte hvordan en gjensidig norsk kasko-forening er hovedassurandør når det gjelder behandling av kaskoskader.

Dette er tredje gang Skuld har hatt besøk fra the World Maritime University. Skuld anser at disse studentene vil kunne bli nøkkelpersoner i fremtiden og er veldig glad for anledningen til å møte dem. (MJT)

## **VISIT FROM THE WORLD MARITIME UNIVERSITY, MALMØ.**

On 14th August, 1987 Skuld received a visit from 19 members of the World Maritime University in Malmø, Sweden. The group was lead by Dr. A.A. Monsef, the professor of Maritime Transport at the University who accompanied 18 post graduate students, most of them lawyers, from 13 different countries.

Skuld, together with the Norwegian Hull-Club (UNITAS) held an intensive teaching seminar from 9 am in the morning until the break for lunch. During this time an introduction to P&I insurance including the concept of mutuality, scope of cover, reinsurance contracts, FD&D cover were dealt with.

Mr. Erling Huus-Hansen, Vice-managing director of UNITAS, gave an introduction to the Norwegian hull conditions and explained the way in which a Norwegian mutual hull club is the claims leader when it comes to dealing with hull damage.

This is the third time that Skuld has had the pleasure of meeting students from the World Maritime University. Skuld considers most of these students will become key personnel in the future, and we are very pleased to have the opportunity of meeting and talking to them. (MJT)
