'Bus 31' - A Letter to the Editor of

Sydsvenska Dagbladet
(880813)

When you ride bus 31 in Malmö you can sometimes suddenly feel transported to the center of the world. It feels as though there are no borders.

Many of the passengers who get on the bus are from different parts of the globe. You feel so international, have cultural experiences and would like to know more about their countries, etc.

These foreigners give us air of this great world. They get off at World Maritime University. It’s a big honor for Malmö that this university is situated here. These students who are representatives for their countries give us a daub of colour and substance to our daily lives. Thank you.’
