Indian cash for Maritime University

From M. Sundaresan,
New Delhi

THE Indian Ports Association (IPA) has decided to contribute \$10,000 to the World Maritime University in Malmo, Sweden.

This decision was taken by the governing body of the IPA in response to an appeal by the Indian Shipping and Transport Ministry's secretary, Mr Prakash Narain for extending maximum possible funds to the university set up by the International Maritime Organisation (IMO).

The contribution has been made in recognition of the useful work done by the university in upgrading technology in various fields of maritime activities, imparting advanced know-how and initiating schemes for development of manpower resources to train personnel, especially from Third World countries.
