CONCLUSIONS OF THE FOURTH SESSION OF THE ASSEMBLY

1. The Working Group of the Assembly on the World Maritime University held its fourth session on 11 September 1985, under the Chairmanship of Mr. G. Santa-Cruz (Chile). It was attended by 38 participants. List of participants is attached.
2. The Conclusions of the fifth session of the Standing Committee of the Working Group were noted.
3. The Secretary-General reported his impressions of the first Graduation Day held at the WMU, which took place on 9 July 1985. The occasion was a tremendous success, and highlighted the achievements obtained by the University within the two years since its inception.
4. As Chancellor of the WMU, Mr. Srivastava gave an account of the decisions taken at the third session of the Board of Governors, held on 8-9 July 1985.
5. The Working Group discussed at length the question of securing recurring contributions, in order to place the World Maritime University on a sound financial base. It was agreed that a concerted effort should be made to find a solution to the financial shortcomings.
6. It was agreed that the paper presented by the Chairman regarding the funding of fellowships required further discussion and therefore the delegations were requested to give consideration to the proposal before the next meeting of the Working Group. It was decided that the fifth session of the Working Group will be convened on 31 October 1985 at 10 a.m.
