Günther Zade

Professor Günther Zade, Vice Rector and Academic Dean of the World Maritime University, Malmö, has been awarded one of West Germany's highest civilian honours, The Officer's Cross of the Order of Merit of the Federal Republic of Germany (Bundesverdienstkreuz 1. Klasse). Congratulating Professor Zade on the award, West German Minister of Transport Dr Friedrich Zimmermann said that he had made a significant contribution to the successful establishment of the World Maritime University and to its becoming a recognised highly qualified institution even during the first few years of its existence.
